Experience Global Leadership Firsthand

The App State ITL program culminates in a required international practicum, providing real-world experience in addressing global challenges.

- Experience global leadership firsthand with our overseas practicum, designed for working professionals (typically around 10 days).
- Bridge theory and practice in international leadership through immersive field experience.
- Cultivate cross-cultural collaboration skills, deepen your understanding of global contexts, and expand your professional network.

Note: *International practicum study abroad fees are in addition to tuition costs.*
